

About Dheecoding Lab (DCL)

A Young Organization which is the dream of highly successful IT Professionals who are passionate towards sharing knowledge for building skilled India.

Who They are?

- Passionate IT Professional who have High ambition of building skilled India
- Team with collective experience of "2.16 lakh Hours" of Project Development
- Each team members have 10+ years of IT experience
- Mentors from IISc & IIM
- Teachers who have trained 3.5+ lakhs of students

The Internship Incubation Program(IIP) aims to:

- Provide students with real-world coding experience
- Enhance employability skills
- Offer mentorship and guidance from industry experts

Dhee Coding Internship Incubation Program (IIP) 2025

One-day incubation drive was organized by Dhee Coding Lab, Bengaluru on 19/11/2024 in which they hire, train, and deploy students. The students will get trained on various cutting edge technologies like JAVA Full stack, Python Full Stack, MERN etc. Total 116 students from CSE/ISE/ECE/BCA and MCA 2025 passing out students participated in the drive. The representative from the Dhee Coding Lab, Mr. Raghu GV (Founder), Mr. Vivekananda R (Senior Architect), Mr. Punith Kumar PS (HR) and Ms. Sanjana (Business Administrator) conducted the incubation drive. The selection process consists of a pre-placement talk, online aptitude test and personal interviews. 07 Students from Various Branches were finally issued the offer letter to get trained by the De Coding Lab.

Report On Industrial Visit

Department : BBA Aviation

On **24th April 2024**, 28 students of Aviation Management Brindavan College had an industrial/educational visit to Electronic Training Institute, **Air Force Station Jalahalli (East)**. The students of 2st, 4th and 6th Semester of BBA Aviation Management along with Mr. Jyoti Ram, HOD Department of Aviation, Asst. Prof. Ganesh Singh Mahar, Asst. Prof. Amulya S, were part of the visit.

The visit was as per the Bengaluru Central University (BCU) syllabus of Bachelor of Business Administration Program (Aviation Management). The main theme of a student visit to an Indian Air Force (IAF) facility is "Exploring the World of Aviation and Defense." This theme focuses on providing students with an educational and inspiring experience that introduces them to various aspects of technology relating to aviation, available and used by the Indian Air Force, and the role of defense forces in national security. The visit aims to ignite curiosity, foster learning, and encourage students to consider careers in aviation, engineering, defense, and related fields.

Overview of the Visit:

An Industrial visit to "" Bengaluru, Karnataka was successfully organised by the Department of Aviation Management on 24th April 2024. The student of BBA Aviation Management along with three faculty went to Electronic Training Institute, Air Force Station Jalahalli (East) in college bus. The bus left the college campus by 9:15 a.m. and reached the venue at 10:00 a.m.

After the security checks the students were taken No. 5 Training Squadron to the model Aerodrome and given a briefing on the rules and guidelines to be followed by everyone inside the Aerodrome.

The students with 03 faculties visited No. 5 Training Squadron of Electronic Training Institute, Air Force Station Jalahalli, to understand the runway, taxiway, apron, runway lighting, various types of signage, approach lighting system and different types of markings on aerodrome. Also the students were briefed on various types of circuit patterns flown by the aircrafts during takeoff and landings. Instrument Landing System (ILS) and various components and their functions were also briefed to the students. Runway lighting system during night hours was also briefed to the students. The use of PAPI (precision approach path indicator) and different indications received by the pilot. The use of DME and VOR was also explained by **Sgt Vikas Kumar** and **Sgt Sohail**.

Next the students were taken to "**MODEL MAFI ROOM**" Instructor **Sgt Mithilesh kumar yadav** explained the difference between conventional runway and parallel taxi track and also he gavethe detailed explanation about MAFI and then Mukesh Kumar joined us and he concluded the explanation about MAFI runway.The major difference between MAFI and conventional (old) runwayis the lights are placed inside the runway. Students had many doubts on but all the doubts were cleared giving a detail explanation.

Lastly the instructor Sgt Ratish joined and gave some knowledge about the Rescue of Pilot and take out the pilot from a fighter aircraft cockpit, and motivated us. He was proud to be in aviation profession.All the super heroes of 5 Training Squadron of Electronic Training Institute, Air Force Station Jalahalli (east) particular aerodrome arranged Tea and snacks for all. The student of a aviation.

Department : B.com

A Report on Industrial Visit to Decathlon Anubhava 30th October, 2023 – Retail Chain store for sporting Goods and Equipment – Organized by the UG Department of Commerce. Faculty CO-ordinator for the Event Mr.Imran Basha.

The students of B.COM, BBA, BBA(Aviation) were taken for a field visit to Decathlon Anubhava, Bengaluru. The purpose of the visit was to give the students hands on experience of a mega sporting Goods retail store. Decathlon Anubhava is the largest sports retailing store in the whole of India. Decathlon has 104 stores across India.

Company profile:

Decathlon SA (Decathlon) designs, manufactures, distributes and retails sports goods. Its product portfolio includes mountain sports equipment, water sports equipment, sports bikes, sleeping beds, swim wear, mountaineering gear, tents, sporting apparels, footwear, sports electronics gadgets, sunglasses, accessories and fishing equipment. The company markets cycling products under Aptonia, Decathlon Assurance Sports, Btwin, Van Rysel, Decathlon, Elops, Giro, Oxelo, Riverside, Rockrider, Tacx, Tarmak and Triban brand names.

Decathlon also offers various services such as click and collect, membership cards for individuals, schools and business organizations, B2B gifts and e-cards, rental and insurance services and also organizes various workshops for its users to customize and modify various products based on their preferences and styles. The company operates in Europe, Asia-Pacific, the Americas and the Middle East and Africa regions. Decathlon is headquartered in Villeneuve d'Ascq, Nord-Pas-de-Calais, France

The students got valuable information in areas such as Human Resource Management, R&D, Sales and Marketing, Customer support. These visit helped to present networking opportunities for the students with the company's HR, thereby increasing the opportunities for internships, placements, etc., for students. The domain wisdom and practical outlook towards the industry & requisite skills for the industry is also known to the students.

The Store Manager Mr. Venkatesh briefed the retail operations and its layout, its functions and other operation etc., It was a visit filled with fun and learning.

Department : MBA

On receiving the permission for a 'Educational Visit' as on **31st april 2024** from the marketing Executive Mr. uday (KMF) visit was planned and all the students of 1st year MBA were taken to get the real time exposure on Entrepreneurship learning. As per the standards of the Institution all the students were briefed. The initiative was taken to help the students understand the different aspects on production process and the Challenges associated with it.

Asst. Prof. Mrs. SHWETHA K GOWDA was In-charge for the industrial visit and also due thanks to the faculties who accompanied the students for the industrial visit on 06/5/24. Total number of students were 78. All the Students were asked to assemble at the college parking at 9.00 AM, after the attendance session we left the college at 9:30 AM & reached our destination around 12:30 PM.

At the entrance Mr.Uday has received us, he briefed us about KMF. He briefed the students about the benefit of learning about production process and how business skills can be developed. Based on this various activity were conducted in which each students had to contribute their ideas pertaining to business problems and come out with best solution for the problem. It was very kind of Mr. Uday and his team to offer their time to the students and answer all the queries related to the milk production structure which surely benefited them and enhanced good knowledge about the same. The visit ended at 2:00 PM.

We left the premises at 2:00 PM & were back to our college by 4:15 PM. It was an informative, interesting and a successful visit. . We would like to express our thanks to our honourable Principal Dr. Prasath , Vice Principal Imran Basha and HOD Bharath S who permitted us to go on the visit, and the faculty members who accompanied the students, and also Mr. Uday and the whole team of **“KMF” KOLAR.**
